# FONTS

**Font cards are available in character sizes that range from 6 through 36 point. Each font card contains up to 140 characters, including upper and lower case letters, numbers and commonly used symbols (36 point, upper case only). Times Roman 10 point is the resident font.**

**CORRESPONDING TO:**

## Helvetica

### **Approximate Character Sizes:**

Aa 3815-06	Aa 3815-08	Aa 3815-10	Aa 3815-12	Aa 3815-14	Aa 3815-18
Aa 3815-24	Aa 3815-30	A 3815-36			

**The last two digits of each font card order number indicate the point size (for example, part number 3815-36 is a 36 point font card).**

***Additional typestyles are listed on the following pages.***

# ACCESSORIES

# SPECIALTY

## Font Wallet (3772-00)

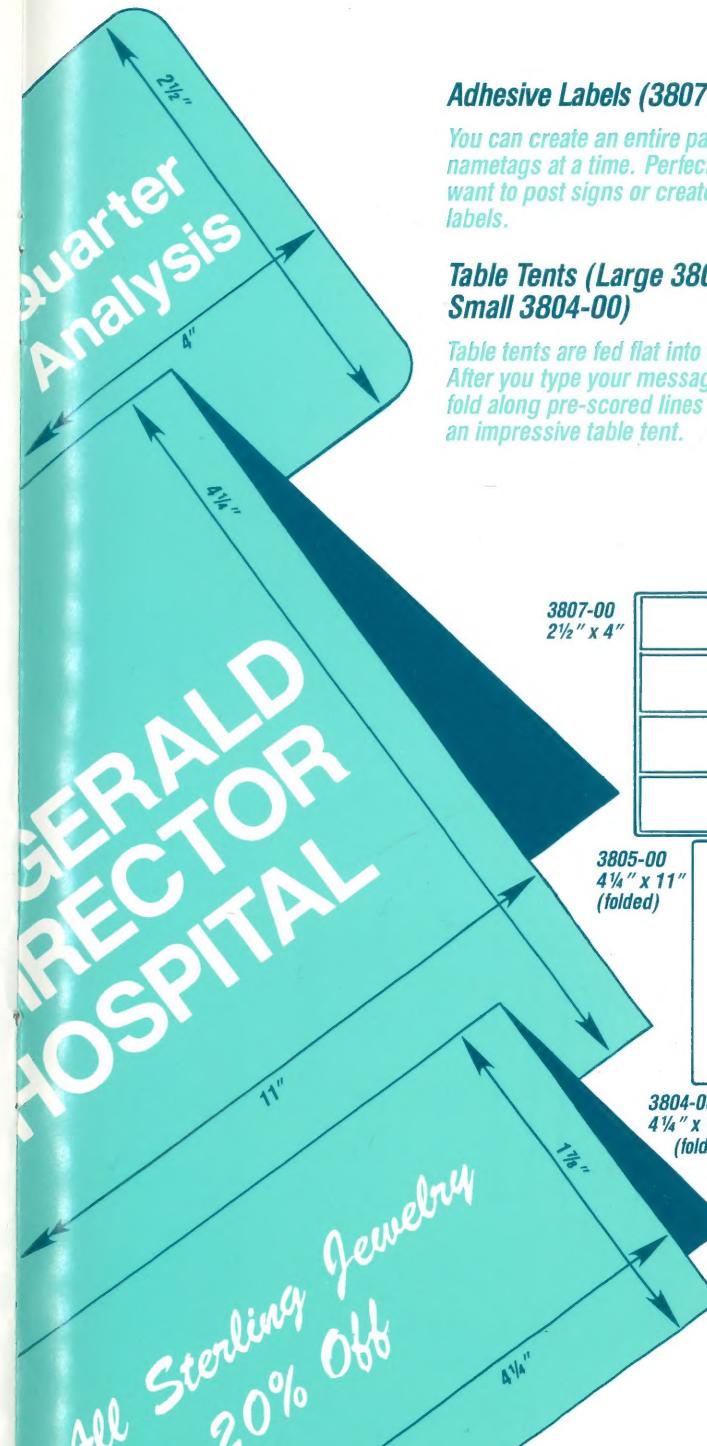

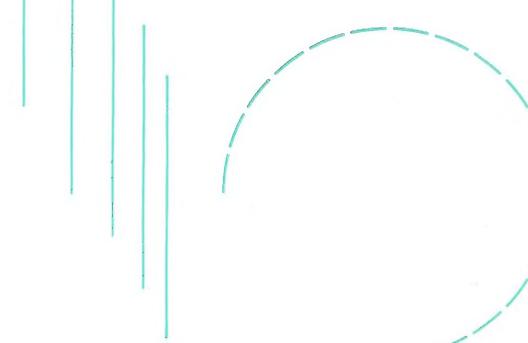

The size of a business card folder, it stores up to 18 font cards in anti-static sleeves. Provides compact, convenient storage and protection for font cards not in use.

## Spell Checker (3773-00)

This card offers the convenience of checking your text for typing errors and common spelling mistakes. The Typestyler Spell Checker has an 80,000 word dictionary with the capacity for an additional 1,200 personalized or customized words. It's easy to use and saves time.

## Memory Card (3774-00)

A memory card allows you to save your files in a manner similar to storing computer or word processing files on a disk. Each memory card holds 8000 characters and can easily be removed for security purposes or storage.

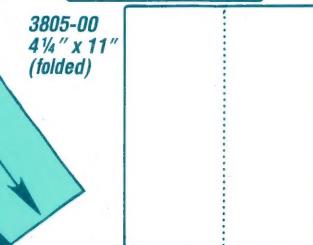

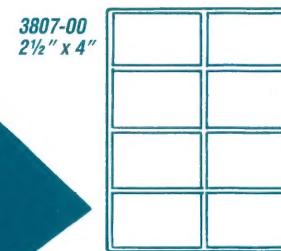

## Adhesive Labels (3807-00)

You can create an entire page of labels or nametags at a time. Perfect for when you want to post signs or create attractive labels.

## Table Tents (Large 3805-00 and Small 3804-00)

Table tents are fed flat into the Typestyler. After you type your message, you simply fold along pre-scored lines and you've got an impressive table tent.

## F I L M & P A P E R

You'll discover an unlimited variety of uses  
for your Typestyler and a complete line of  
papers and films have been developed so  
you can get the best results every time.

## F I L M

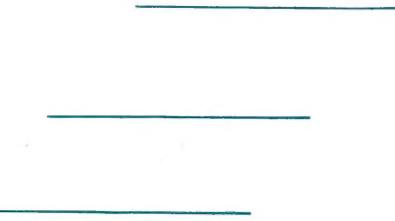

• • • • • • • • • •

*With the Typestyler you can easily produce your own dynamic, high quality transparencies in-house. We offer a selection of transparency films for your AV needs and adhesive-backed film for special projects.*

## P A P E R

• • • • • • • • • •

*When you are using your Typestyler you'll want the best results. That's why we offer a special selection of papers.*

The clear film has an adhesive back and comes in full size sheets so you can make customized signs and labels.

- Architectural blueprints
- Graphic design projects and layouts
- Custom made labels
- Package design

**Typestyler Adhesive-Backed Film (3806-00)**

Looks like frosted overhead transparency film. But use Typestyler color ribbon for lettering and graphs and you'll get a stunning color image projected on a black background.

- Meeting Notes
- Graphs and Charts

**Typestyler Reverse Film (3795-00)**

Clear film is similar in weight to overhead transparencies. Use Typestyler color ribbons to produce attractive overheads that pack a punch and leave an impression on your audience!

- Colorful Window Signs

This high quality bond paper is designed for general office use and is ideal for almost any communications.

- Correspondence and Communications
- Notices and Bulletins
- Memos, Charts and Graphs

**Typestyler Bond Paper (3796-00)**

Corporate Slick is a premium stock paper that has a glossy finish on both sides — use it for your most important communications.

- Report covers
